

Norton Pro Self Grip Sanding Discs - Disc selfgrip 150 100 grit Norton PRO

Artical Number: 63642585186

EAN: 3157625584549

SizeDerived: 150

Description

The unique properties of Norton Pro sanding discs provide a fast, cool cut rate with no clogging, resulting in a longer lasting product, and an outstanding result compared to competitor products. The special No-Fil coating prevents the build-up of dust and premature clogging of the disc. In very fine grits it can be used for final dry sanding operations before spraying without any risks of runs.

Features & Benefits

Heat treated aluminium oxide abrasive provides a faster cut rate and consistent scratch pattern for a consistently good surface finish , Heat-treated high performance aluminium oxide grain provides Norton Pro with a fast cut rate and a consistent, uniform scratch pattern

Can be used universally on many different surfaces , Discs are flexible and tear resistant due to their fibre-reinforced latex paper backing which is heavier in grits P80 to P120 for more aggressive applications and lighter weight in finer grits for more flexibility

No-Fil® coating prevents premature clogging for a long lasting disc , The No-Fil® layer is added to resist loading and is pigment-free, which eliminates the risk of colour transfer to the surface

Fibre reinforced latex paper is flexible yet tear resistant , MOUNTING: Norton Pro discs are for use on orbital sanders with 150mm and 203mm back-up pads.

Application Data

Material Application: PAINT & VARNISH
Machine: Disc Sander
Process: Sanding

Safety Equipments:

Technical Data

Coated Sub-Shape:	Plain disc	Grit:	100
Backing Material:		Number Of Dust Collection Intake Holes:	None
Backing Treatment:	Velcro(>68 , <= to 95 g/m²)	Diameter:	150 mm
Marketing CAP:	A275	Arbor Hole:
