RECHARGEABLE AREA LIGHTS

PRODUCT DESCRIPTION

1. 1000 Lumen Area Light
2. Innovative product with the latest technology in lighting

- Most robust and versatile area light in the PRO market
- Extending cordless, rechargeable area light range
- USB power bank to charge phones & other devices
- Premium durability IP67/IK07
- 3 position 250-500-1000 LM

LONG RUNTIME

DURABILITY

- Kelvin temperature : 5500 - 6500 Kelvin
- Charging Cable Length : 5 meters
- Power adapter input voltage, 240V
- Power adapter output voltage, 5V
- Power bank output voltage, 5V
- Power bank output ampere, 1A
- Battery, Li-ion rechargeable battery 3.7V 5200mAh
- Working time, 8H/4H/2H
